2023-2024 Verification Worksheet Independent Student

Your 2023-2024 FAFSA was selected for a process called verification. In this process, we are required to ask for information to confirm that what was entered on your FAFSA is accurate. This will ensure that you are awarded the correct amount of financial aid. If differences are found, we will submit these corrections to the Department of Education before confirming your financial aid eligibility. Please stay up to date with any requests from our office to complete your information by checking your To Do list on your my indianatech.net account.
