

### **C. STUDENT TAX INFORMATION**

Remember the easiest way to verify income is by using the IRS Data Retrieval Tool (DRT) that is a part of the student's FAFSA online. If the student/parent has not already used the tool, please log on to their 2019-20 FAFSA at [www.fafsa.gov](http://www.fafsa.gov) and select "Make FAFSA Corrections". Select the "Financial Information" tab and follow the instructions to see if the student/parent is eligible to use the Data Retrieval tool. If the student is eligible, follow each step to transfer their 2017 tax information into the student's FAFSA.

If you filed a 2017 income tax return:

- Yes, I filed a 2017 income tax return and will submit a 2017 IRS tax transcript with this form, OR
- Yes, I filed a 2017 U.S. federal income tax return and have transferred my tax data using the FAFSA IRS Data Retrieval tool.

If you did not file a 2017 income tax return:

- I did not work in 2017, OR
- I worked in 2017, but was not required to file an income tax return. I understand that I will have to include my W-2 forms for any employment in 2017.
